Leduc Junior Athletic Club is a draw zone-based organization. Player selections are completed by the coaching staffs and our teams are made up of 19 from our draw zone in addition to players who might be coming in from other zones on second tryouts. Please be mindful LJAC is not mandated to have a certain number of players from any part of our draw zone. Please keep in mind that rosters for U17AAA are required to finalized before the start of the first regular season game. We typically like to have the team finalized a week or two before the start of our first game on October 8th, but please be cognizant that there could be player movement up to and including that day. We want to be transparent with everyone as a lot of times we are at the mercy of WHL and AJHL player release that can sometime occur which subsequently cause a trickledown effect from U18AAA to U17AAA.

At any time during the tryout process for either the U17AAA or U18AAA team you are released, and you are interested in obtaining another AAA tryout or what to do next, please read the following information very carefully.

If you are a 2006 born player, it is within your right to have an opportunity to tryout with another U18AAA team. Please make sure you keep in contact with the LJAC U17AAA Head Coach Ryan Campbell as to where you are in the tryout process with said team. If you are not interested in
